

QIWI Announces the Delisting of its ADSs from the Nasdaq Stock Exchange

NICOSIA, CYPRUS – September 16, 2024 – QIWI plc (AIX and MOEX: QIWI) (“QIWI” or the “Company”), an innovative provider of cutting-edge fintech services, today announced that the Nasdaq Stock Market LLC (the “Nasdaq” or the “Exchange”), has determined to remove from listing American Depositary Shares of QIWI plc, each representing one Class B ordinary share (“ADSs”), from the Nasdaq Stock Market LLC, effective at the opening of the trading session on September 16, 2024.

On September 6, 2024 ADSs of QIWI plc were added to the official list of the Astana International Exchange Ltd (AIX) and the Company received its primary listing on AIX. Dealings for normal settlement in the ADSs commenced at the opening of trading hours on September 11, 2024, under the ticker “QIWI.”

Holders of the Company's ADSs are not required to take any additional actions in connection with the abovementioned changes.

The Company will continue to engage in dialogue with Nasdaq to evaluate its prospects for a potential relisting once and when circumstances would make it possible in the future.

About QIWI plc.

QIWI Global is an innovative provider of cutting-edge fintech services. We stand at the forefront of fintech innovations to facilitate and secure the digitalization of payments. Forward-Looking Statements

This press release includes “forward-looking statements” within the meaning of, and subject to the protection of, the Private Securities Litigation Reform Act of 1995, including, without limitation, statements regarding possible implications related to the delisting and others. Such forward-looking statements involve known and unknown risks, uncertainties, and other factors that may cause the actual results, performance or achievements of QIWI to be materially different from future results, performance or achievements expressed or implied by such forward-looking statements. Various factors that could cause actual future results and other future events to differ materially from those estimated by management include, but are not limited to macroeconomic conditions in each country of our presence, growth in each of our markets, competition, the introduction of new products and services and their acceptance by consumers, QIWI’s ability to estimate the market risk and capital risk associated with new projects, a decline in net revenue yield, regulation, QIWI’s ability to grow physical and virtual distribution channels, cyberattacks and security vulnerabilities in QIWI’s products and services, QIWI’s ability to expand geographically, the risk that new projects will not perform in accordance with its expectations and other risks identified under the Caption “Risk Factors” in QIWI’s Annual Report on Form 20-F and in other reports QIWI files with the U.S. Securities and Exchange Commission. QIWI undertakes no obligation to revise any forward-looking statements or to report future events that may affect such forward-looking statements unless QIWI is required to do so by law.
